Foreign Account Tax Compliance Act (FATCA): Foreign Account Tax Compliance Act (FATCA/the Act) is a law framed by United States of America to prevent tax evasion by USA citizens and residents through offshore accounts. Under the provisions of FATCA, Foreign Financial Institutions (FFIs) are obliged to report details of accounts held by USA persons, with them, as specified in the Act. SEBI, vide circular No. CIR/MIRSD/ 2/2014 dated June 30, 2014, has advised that India is considered as having an Inter Governmental Agreement (IGA) with United States of America with effect from April 11, 2014 for information sharing under FATCA requirements. On receipt of further advice from SEBI, IDBI Mutual Fund shall be required to register as an FFI and report details of accounts held by USA persons with IDBI Mutual Fund, to respective authority (Indian Tax authorities or Internal Revenue Service, USA).

In view of the above, investors are requested to provide the details as required in the relevant Forms for FATCA attached along with the scheme application forms. These forms are to be filled up by all investors irrespective of their country of residence/citizenship ie; by USA persons and non USA persons. Non submission of details as required under these forms shall lead to the accounts such investors hold with IDBI Mutual Fund being classified and reported as recalcitrant accounts.

Investors can get more details on FATCA requirements at: <http://www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA>. Investors should consult their tax advisors regarding FATCA requirements with respect to their situation.
